

Platform Statement

As a passionate student leader with experience in **student representation and advocacy**, I am committed to ensuring that student voices are heard at the highest level of decision-making at Douglas College. If elected to the **Douglas College Board**, I will work tirelessly to address the real concerns of students and push for meaningful change that enhances our college experience.

My Commitments to You:

✔ **Affordable & Accessible Education:** I will advocate for fair tuition policies, increased financial aid, and expanded scholarships to ease the financial burden on students.

✔ **Strengthening Student Support Services:** Mental health resources, academic advising, and career development must be more accessible and responsive to student needs. I will work to ensure these services are improved and well-funded.

✔ **Enhancing Campus Facilities & Engagement:** From better study spaces to stronger student engagement initiatives, I will ensure that campus life supports both academic success and personal growth.

✔ **Transparent Communication & Representation:** I will actively engage with students, listen to their concerns, and bring their issues directly to the Board. Regular town halls and feedback channels will keep student voices at the center of decision-making.

With my background in **student leadership, customer service, and teamwork**, I am ready to advocate for you and make a real difference. Vote **Amarpreet Singh** for **strong student representation!**

Your Voice. Your Future. Your College.
